Charging AirTalk™ Hands-free Kit

1. Plug the USB mini connector of the USB charging cable into the Mini USB charging port on the AirTalk Hands-free Kit.
2. Plug the other end of the USB charging cable into other devices that will charge, like a computer or USB Car Charger (not included). The red LED light turns off when charging is complete.

Turning on AirTalk™ Hands-free Kit

Press and hold  for 2 to 3 seconds to turn AirTalk Hands-free Kit on. Press and hold for 5 seconds to turn off.

Putting AirTalk™ Hands-Free Kit into Pairing Mode and Connecting with a Bluetooth-Equipped Mobile Phone

1. Make sure to turn on AirTalk Hands-free Kit. Place it within a meter of your mobile phone and activate the mobile phone's Bluetooth function.
2. Press and hold  button for 7–8 seconds until the LED light rapidly flashes blue and red alternately.
3. Consult your Bluetooth-equipped mobile phone's manual, as connection varies by device. When prompted, enter the passkey "0000 (four zeroes)."

AirTalk Hands-free Kit will make beep twice when connected and then the blue LED light will flash once every 10 seconds.

Using AirTalk™ Hands-free Kit

- **Answering a call**
Press and release either the  button, + button, or – button once to accept a call.
- **Ending a call**
Briefly press  button to end a call.
- **Redial last number called**
[dependent on the mobile phone]
Press and hold  button for 2 to 3 seconds until you hear two beeps. Your mobile phone will redial the last number called.

NOTE: The redial function may vary by phone model. Some phones simply display the last number dialed, which requires you to hit the button twice. Consult your owner's manual.

Using AirTalk™ Hands-free Kit (cont.)

- **Voice activated dialing**

Press and release  button until you hear a beep. Say the registered name on the voice dialing list of your mobile phone. For best voice dialing performance, record the voice tag in your mobile phone.

NOTE: Voice activated dialing function varies by device. Please consult your mobile phone's manual for dialing set-up and functionality.

- **Adjusting the volume**

Press + or – button to increase or decrease the speaker volume.

- **Mic mute on and off**

To mute the mic so the person you're talking to won't hear you, push and release the  button. Repeat to turn mic back on.

Using AirTalk™ Hands-free Kit (cont.)

- **Transferring a call between AirTalk Hands-free Kit and your mobile phone**

In order to transfer a call from AirTalk Hands-free Kit to your mobile phone or vice versa, Press + button for 2–3 seconds.

- **Call waiting**

To answer the 2nd call without hanging up the 1st call, press  button for 2 to 3 seconds. To return to the 1st call, press  button for 2 to 3 seconds again.

- **Rejecting a call**

When AirTalk Hands-free Kit is ringing, press  button for 2 to 3 seconds.

Using AirTalk™ Hands-free Kit (cont.)

- **Auto-reconnecting**

If your AirTalk Hands-free Kit and mobile phone fall out of range (33 ft/10 m), they can automatically reconnect if both come back into range within 30 minutes. The auto-reconnect signal emits in 2 minute intervals for 30 minutes. After 30 minutes out of range, the AirTalk Hands-free Kit will automatically be turned off.

LIMITED WARRANTY FOR CONSUMERS

Monster Cable Products, Inc., 455 Valley Drive, Brisbane, CA 94005, USA, (415) 840-2000 ("Monster") extends You this Limited Warranty. Statutory or common law may provide You with additional rights or remedies, which shall not be affected by this Limited Warranty.

DEFINITIONS

"Adequate Use" means use of the Product (i) within a home or dwelling, (ii) for private (as opposed to commercial) purposes, (iii) in conformance with all applicable local, state or federal law, code or regulations (including without limitation building and/or electrical codes), (iv) in accordance with manufacturer recommendations and/or instructions in the materials and documentation that accompany the Product, and (v) if applicable, with proper electrical grounding.

"Authorized Dealer" means any distributor, reseller or retailer that (i) was duly authorized to do business in the jurisdiction where it sold the Product to You, (ii) was permitted to sell You the Product under the laws of the jurisdiction where You bought the Product, and (iii) sold You the Product new and in its original packaging.

“Formal Warranty Claim” means a claim made in accordance with the section “Formal Warranty Claims” herein.

“Product” means a Product (i) that is listed in the Specifications Table below, (ii) that You bought from an Authorized Dealer new and in its original packaging, and (iii) whose serial number, if any, has not been removed, altered, or defaced.

“Product Defect” means an inadequacy of the Product that existed at the time when You received the Product from an Authorized Dealer and that causes a failure of the Product to perform in accordance with Monster’s documentation accompanying the Product, unless such failure has been caused completely or partly by (a) any use other than Adequate Use, (b) transportation, neglect, misuse or abuse by anyone other than Monster’s employees; (c) alteration, tampering or modification of the product by anyone other than a Monster employee; (d) accident (other than a malfunction that would otherwise qualify as a Product Defect); (e) maintenance or service of the Product by anyone other than a Monster employee; (f) exposure of the Product to heat, bright light, sun, liquids, sand or other contaminants; or (g) acts outside the control of Monster, including without limitation acts of God, fire, storms, earthquake or flood.

“Warranty Period” means the time period during which Monster must have received Your Formal Warranty Claim. The different Warranty Periods related to Product Defects are defined in the Specifications Table below. The Warranty Period commences on the date when You purchased or received (whichever occurs later) the Product from an Authorized Dealer as evidenced by the Authorized Dealer’s invoice, sales receipt or packing slip. If You do not have written proof of the date of purchase or receipt, then the Warranty Period commences three (3) months after the date when the Product left Monster’s or its factory as evidenced by Monster’s records. The Warranty Period ends after the time defined in the Specifications Table has expired or after You have transferred ownership of the Product, whichever occurs earlier. Also, You must call Monster and obtain a Return Authorization Number (as described under “How to Make a Claim”) within two (2) months after You discover a Product Defect (or should have discovered it, if such Product Defect was obvious).

“You” means the first individual person that purchased the Product in its original packaging from an Authorized Dealer. This Limited Warranty does not apply to persons or entities that

bought the Product (i) in used or unpackaged form, (ii) for resale, lease or other commercial use, or (iii) from someone other than an Authorized Dealer.

SCOPE OF THIS LIMITED WARRANTY

Products. If a Product contained a Product Defect when You bought it from an Authorized Dealer and Monster receives a Formal Warranty Claim from You within two (2) months after You discover such Product Defect (or should have discovered it, if such Product Defect was obvious) and before the end of the Warranty Period for Product Defects applicable to the affected Product, then Monster will provide You with one of the following remedies: Monster will (1) repair or, at Monster's sole discretion, replace the Product, or (2) refund to You the purchase price You paid to the Authorized Dealer for the affected Product if repair or replacement is not commercially practicable or cannot be timely made. NOTE: MONSTER DOES NOT ASSUME ANY LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES UNDER THIS LIMITED WARRANTY.

GENERAL PROVISIONS

Choice of Law/Jurisdiction. This Limited Warranty and any disputes arising out of or in connection with this Limited Warranty ("Disputes") shall be governed by the laws of the State of California, USA, excluding conflicts of law principles and excluding the Convention for the International Sale of Goods. The courts located in the State of California, USA shall have exclusive jurisdiction over any Disputes.

Other Rights. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE AND JURISDICTION TO JURISDICTION, AND WHICH SHALL NOT BE AFFECTED BY THIS LIMITED WARRANTY. THIS WARRANTY EXTENDS ONLY TO YOU AND CANNOT BE TRANSFERRED OR ASSIGNED. If any provision of this Limited Warranty is unlawful, void or unenforceable, that provision shall be deemed severable and shall not affect any remaining provisions. In case of any inconsistency between the English and other versions of this Limited Warranty, the English version shall prevail.

This device complies with Part 15 of FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. Changers or modification not expressly approved by the party responsible for Compliance could void the user's authority to operate the equipment. Connecting of peripherals requires the use of grounded shielded signal cables.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is

encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's (or your) authority to operate the equipment.
